EDWARDSBURG CONSERVATION CLUB

Club Member and Membership Secretary MaryAnn McCormack is in need of our help. At 80+ years of age MaryAnn recently had her leg amputated 4 inches below the knee. She is currently recovering from surgery in a nursing facility and will be fitted with a prosthesis sometime during the next 6 months. Please join us on Saturday May 30th for food and fun, music and fundraising with all proceeds going to help with MaryAnn's medical bills. Music & Karaoke will be provided by Lone Wolf Entertainment. Donations are being accepted for a Silent Auction. For more info or to volunteer to help, contact Scott Hardy (269) 240-1377.
